

Level 4 Safeguarding Adults from Abuse for Managers - One Day

Who should attend this one day course

Managers, Team Leaders & Safeguarding Leads working with adults at risk of abuse in any setting

Introducing Faiers Training

Faiers Training uses over thirty five years of experience in the care & support sector to deliver training that is both professional & practical

COURSE OVERVIEW

Safeguarding Adults from Abuse is everyone's responsibility. This one day course raises the profile of this vital subject and gives Managers the confidence and tools to support their staff to both reduce the risk of abuse and respond to concerns appropriately.

COURSE AIMS: This course aims to improve manager confidence in:

- Understanding their roles and responsibilities within the Local Authority multi-agency safeguarding process post Care Act
- Building strong staff teams and using staff supervision and management tools in safeguarding cases
- Adopting abuse prevention approaches within work settings
- Making decisions on safeguarding matters

COURSE CONTENT

- **Abuse in context** – Including national and local approaches, definitions & key differences between Safeguarding Adults and Children
- **Vulnerability** - Assessing risk & addressing issues of vulnerability
- **Types & Signs of abuse** – including support to staff to make judgements in "grey" areas. Ensuring staff report and record all concerns, whilst the manager recognises what needs escalation to statutory services.
- **Standards of professional conduct** – Using national codes & your own guidance on professional boundaries to promote positive working
- **Dealing with suspected abuse** – Key features in positive management approaches. The DO's and DON'Ts in reporting & recording and how to support someone who is disclosing abuse
- **The role of the organisation's Safeguarding Lead**
- **Key areas of management that impact on safeguarding** - recruitment, supervision, training, policies/procedures and using agency staff/volunteers
- **Challenging safeguarding decisions where necessary and signposting to other services when appropriate** - including the process for escalating concerns and navigating the multitude of agencies offering specialist support for clients with unresolved safeguarding concerns
- **Working safely** – What can go wrong? Why do good people do bad things? How the manager can reduce these risks
